

make your own paper dreidel!

1. Print out this Black+Decker Dreidel printable
2. Glue to thin cardboard or construction paper
3. Decorate the dreidel
4. Cut out the dreidel along the edges
5. Cut an X in the circle on the top side
6. Fold along the dotted lines to form the shape
7. Glue the flaps into place
8. Stick a straw or stick through the tiny circle and X at the top
